## 校長的話

「讓我們的孩子在  
關愛中學習和成長！」

我們相信世上每一位孩子也是獨一無二的，不論是外貌或是性格喜好；每個孩子也有他們的獨特性。我們同時也相信，所有的孩子在充滿關懷愛護的學校裡，能快樂健康地學習和成長。因此，營造「景天」成為一所「關愛校園」是我們的目標，也是我們對孩子的一個承諾。

黃秀雯校長

本校成長支援以推行對學生的關愛為主，本年度一至三年級實行**雙班主任制**，兩位班主任一起關顧學生的學業及行為。各班的班主任在開學前給家長**陽光電話**，關愛學生在放假時的情況。本校除了在低年級推行雙班主任外，一年級還加入了**外籍英語老師為班主任**，加強學生的英語學習。「**大哥哥大姐姐關愛計劃**」的推行，為一年級的學生加強了關顧，高年級的大哥哥大姐姐照顧一年級的學弟學妹在小學生活及對學校的適應。

## EDB -School-based Curriculum Development Support Services in the Primary Schools

In order to improve the quality of teaching and learning in English, the language experts from the School-based Curriculum Development (Primary) Section have been working closely with Primary 4 and 5 school teachers since 2010. The curriculum development officer, Miss Fung provided us with on-site support in designing curriculum plans and exploring different learning and teaching strategies. This year we put even more emphasis on improving our students' reading and writing ability.

Apart from discussing the learning problems and difficulties faced by the students in video-taped lessons, teaching and learning was also examined based on TSA results and internal examinations through collaborative lesson planning. As a result, feasible measures or strategies could be worked out to improve the teaching and learning process. In addition, different teaching resources, good practices and knowledge were shared among schools. We hope that both teachers and students will significantly benefit from this support scheme and have a fruitful teaching and learning experience in the future.

### Native English Speaking Teacher

The PLPR/W expands this year to P3, as last year's P2 classes begin a series of new books, writing tasks, songs, phonics, games, listening exercises and process drama. Based in the English Learning Centre, I, Miss Rachel, the Class English teacher Miss Lau and Classroom Assistant Miss Daisy provide a team of three dedicated to running a programme that provides the children with a fun and interesting way to learn to speak, listen, read and write in English. P1 and P2 continue with the programme that was begun two years ago, the aim being to give our KS1 children the confidence and ability to read by themselves and be able to talk and write about a variety of topics. P4 continue to follow the PLPR program and we have included some guided writing activities to make their activities similar to PLPR/W.

I am also conducting English Speaking Wednesday morning assemblies and lunch-time activities, extra-curricular drama lessons in English on Wednesday afternoon and TSA Oral training for P5. P6 have one lesson a week in English interview skills. 6 students in each year group are also training for Cambridge Young Learners Examinations.

### School - based Native English Speaking Teacher

It's an absolute pleasure to be back at King Lam Catholic Primary School for the 2011/2012 academic year. I enjoyed teaching here thoroughly last year, and hope that this coming year's teaching experience will prove to be as fruitful and rewarding.

My core duties this year involve focusing on oral English in all six levels, especially P1 - P3, the objective being to expose these younger students to a native English influence as much as possible. I am also in charge of the Buddy Reading Scheme, which encourages not only progression in reading skills, but also promotes a caring environment in the school and between students, evident in the older buddy and younger buddy relationship. A further duty incorporated into my daily schedule is to monitor the development of all the SEN students from P1 - P6, and to document their progress and suggest various approaches that could be employed to enable them to improve further. I hope that in carrying out these duties, I can stimulate the students interest and enthusiasm for the English language.

## English Enhancement Grant Scheme (EEGS) for Primary Schools

King Lam Catholic Primary School successfully applied for the English Enhancement Grant Scheme (EEGS) for Primary Schools in the last academic year. The plan was to focus on how to use drama to facilitate the learning and teaching of English. In order to enrich the English language learning environment, the funding is used to employ the third native-speaking teacher, Miss Valda to co-develop a drama curriculum with local teachers this year. Through drama lessons, lunch recess activities and after-school drama courses conducted by Miss Valda, we hope that KLCPS students can profoundly benefit from this scheme to build up their confidence in speaking English.

### EEGS Native English Speaking Teacher

I was born in Latvia, a small country in North Europe, which is located opposite Sweden and has cold winters and hot summers. There is lots of snow in winter time, which makes a very special Christmas time.

I am a social worker by profession. I studied and worked as a social worker with people with learning difficulties and special needs in England for almost 10 years. I lived in London, where I did my social work practice placement and later moved to Bristol and worked for South Gloucestershire Council.

I have always been fascinated by Asia and in 2008 I went to live in Beijing and completed my TEFL (Teach English as Foreign Language) certificate. In Beijing, I was teaching at the Youth Politics and Economics College for 2 years. I was responsible for running the English Corner. I was also teaching children at a learning centre and preparing children for different exams and studies abroad. This was a very meaningful time, as I got a chance to experience the Olympic Games and travel to many fascinating places in China.

I moved to Hong Kong 2 years ago and have been teaching in kindergarten, primary and secondary schools.

I joined King Lam Catholic Primary School as a Drama and Script Writing teacher. I hope to improve students' oral English and their confidence in speaking English. I believe students' English can develop through interactive drama activities, by group work, role plays and acting out characters. Students can improve their English pronunciation, grammar and fluency.

In Script Writing I would like students to learn different types of stories, like adventure, fairytale, science fiction and comedy. In these lessons students can develop their creativity and imagination to create characters and dialogues and act them out. I look forward to also developing a play with students in the future.

### 家長心聲

大家好,我是 1A 班胡飛家長韋桂娥,人稱娥姐。

很高興我的孫兒能入讀景林天主教小學,因我每天送他到校、接他放學,我都親身接觸、經歷和看見學校的校長和老師,甚至校工的關心和愛心,以至小朋友很喜悅地上學和留校做功課,亦令家長可以安心和無後顧之憂。這證明我們當日的選校是正確的。

所以當家長教師會邀請我參選委員時,我是很樂意為學校出一分綿力,請大家支持和鼓勵我,一同支持學校,謝謝您們。願天主祝福您們!
